00:00:12 [Music] UFO is emerging as a major topic of global importance we get reports every night I don't know what it look like a rotating light around it I'd like to report a UFO I'm here to discuss the so-called Flying Saucer nothing in 1947 was capable of traveling 1,200 mil an hour Project Blue Book examined over 12,000 UFO sightings are they spaceships from other worlds traveling through our galaxy or are they something else because there is no doubt we are being visited these phenomena which are clearly obviously real I mean

00:00:54 there's no debate about that question now is why are they here and what do they want from 50,000 ft above sea level to in a second in excess of 1,000 2,000 3,000 gen no visible means of propulsion 1900 mph at low altitude and then stop and hover again but I can't fathom it because it seems so unreal a panel of whistleblowers says the government is hiding what it knows about UFOs the Air Force has lied about UFOs for 60 years actually what's being held back just about everything the government has for decades denied any

00:01:29 interest in UFOs a Declassified Memo from President Kennedy demands that the CIA share its UFO intelligence with NASA this letter is dated 10 days before the assassination is there a connection it will take Congressional hearings to get to the bottom of all this so today's house hearing on UFOs was build as Congress quote pulling back the curtains do you believe that the federal government is knowingly concealing evidence about uaps from the public yes sir yes yes Advanced Technologies not made by our government or any other

00:02:02 government are monitoring sensitive military installations around the globe drone sighting still being reported across New York and New Jersey without any answers hundreds of video clips and photos were posted on social media sites what is behind those drones in New Jersey continues to grow penetrated the restricted airspace there's no legitimate evidence the sightings are otherworldly splitting apart Vanishing Into Thin Air others seem to release chemicals that just hang in the air FAA is expanding its drone ban the FAA

00:02:29 banned drones and in 22 New Jersey areas the FAA has banned most drone flights yet the origin of these drones and their operators remains a mystery I do have news directly from the president of the United States the drones that were flying over New Jersey in large numbers were authorized to be flown by the FAA for research and various other reasons according to the White House the FAA suddenly remembered that it had authorized flights of research drones and why didn't it come clean when so many agencies including ining the FAA

00:03:01 itself we trying to figure this [Music] [Music] out mysterious drones or UFOs and aliens the mysterious lights in the skies of America have had a lot of people asking questions about UFOs who is

behind them what are their motives are they innocent or malevolent or are they even aliens at all we live in an age of high-tech top secret government projects photorealistic computer graphics and artificial intelligence and it's becoming more and more difficult to know what videos are real and which are not one thing is

00:03:52certain the subject of extraterrestrial life is rapidly moving from Fringe folklore to an inadmissible reality as scores of government officials and whistleblowers continue to share their testimonies and never before seen evidence of UFO activity and why now why is there a marked interest in UFOs and Supernatural sits in the skies above us right now in 2025 and in the last few years the truth is out there they say but it's actually not the truth is in here Jesus warned there would be fearful sights and great Great Signs shall there

00:04:31be from Heaven the Bible has much to say about signs and wonders and miracles that will occur at the end of time even bringing down fire from heaven in this book we find answers to all these questions including answers to questions that haven't even been asked yet like why do most UFO sightings take place in the United States and why are these events going to lead to interfering with American politics and even convince Americans to do away with the principles of the United States Constitution the internet is filled with

00:05:05videos about what the Bible says about UFOs and aliens but this may very well be the only video that will go further and fully disclose who they are what they are going to do and what they are going to say and why so let's see what this book of Supernatural origin has revealed about the supernatural events taking place and fully disclosed the nature of Close Encounters of the Third [Music] Kind in the last century reports of UFO sightings have been on the rise especially in the United States also on

00:05:46the rise are movies books and stories about UFO sightings and alien abductions they're here entertaining the idea we are not alone in the universe has always captured the imagination and been a topic that has led to some of the most popular movies such as The Day the Earth Stood Still Men In Black Independence Day ET and Close Encounters of the Third Kind the UFO phenomenon now referred to as uaps or unidentified anomalous phenomenon was once again ignited when mysterious drones appeared in large

00:06:23numbers above the Skies of New York and New Jersey sightings this morning of those mysterious drones really disconcerting that our governor can't tell us what's going on lots of blinking things up in the sky the FBI now investigating multiple reports of unidentified drones while the government has generally shied away from acknowledging even the existence of UFOs things took a dramatic turn in 20123 with the passing of the UAP disclosure act which sets up a process for disclosing information about uaps or

00:06:54UFOs this is a major major win for government transparency on uaps and the sen passed a bill to declassify government records related to unidentified anomalous phenomenon in UFOs a congressional hearing on this subject took place November 13th 2024 and lawmakers hope this hearing sheds light on the question are we truly alone UAP are in our airspace but they are grossly underreported these sightings are not rare or isolated they are routine that we have possession of bodies yes we have POS is it multiple

00:07:28types of creatures or sir I I couldn't answer that while I'm sure the government has some interesting secrets and knowledge concerning UFOs in extraterrestrial life or ETS I can guarantee you it does not reveal nearly as much information concerning them or their plans as God has revealed in his word so if you want the truth God's word is the only place you will find full disclosure concerning UFOs and ETS and once you understand who they are you will understand why we need to start asking the questions

00:08:06about what are they who are they where are they coming from who are they who are these alien beings from other planets the answer to this question strange as it may sound has everything to do with how we understand the origins of Life on this planet in short who you think they are depends

on who you think you are I am referring here to your worldview about 200 years ago the dominant worldview changed from a Christian worldview to an evolutionary worldview when God is removed from our explanation of the origins of mankind

00:08:42the Mind turns to other theories to explain how life began on this planet most people don't realize the theory of evolution is really only a theory about how life evolved but it doesn't even propose a tenable explanation as to how the very first life actually began not only are there no known natural mechanisms for the origin of life but any natural explanation for the beginning of Life would actually violate the laws of nature that we do know about the law of entropy or the second law of Thermodynamics for example states that

00:09:18everything tends towards disorder and disorganization for example hurricanes don't build beach resorts and firestorms don't build housing developments and earthquakes don't erect sky scrapers to assert that natural processes somehow actually organize information is a scientific impossibility there are no natural processes that organize information including incredibly complex genetic information like DNA and this is why reason and science necessitates looking for a supernatural explanation to explain the natural world and because

00:09:57the theory of evolution refuses to acknowledge God as this Supernatural agency it forces those who believe it to look to the stars for explanations this has led some scientists to speculate that our genetic material could have come from an extraterrestrial Source through a process called directed panspermia the true origin of life on Earth is still a mystery so then it seems almost natural to ask could it have originated somewhere else it's just one of the options for the phenomenon known as pans

00:10:31spermia the problem with the directed panspermia is that it also fails to explain how the very first life began it only skirts the issue by saying life began in another place in the solar system and then was brought here to Earth and planted by alien beings but if you really break down this idea into its basic principles there are some striking parallels to the biblical account instead of some science fiction account of a race of aliens from other planets those beings not from our planet who came here were God and his son two

00:11:05Divine beings and they didn't merely plant life on this planet they created it including mankind this of course is a Biblical worldview and here's why the biblical worldview comes to a very different conclusion about aliens in answering the question who are they in the Bible we read that God created all things through Christ the Bible speaks of Christ saying for by him were all things created that are in heaven and that are in Earth visible and invisible whether they be Thrones or dominions or principalities or Powers

00:11:40all things were created by Him and for him and he is before all things and by him all things consist if we accept this worldview as true that all things whether in heaven or Earth that are alive and that exist were created by Jesus Christ and for Jesus Christ this would include all intelligences throughout the universe as we read in the Book of John all things were made by him and here is the key part and without him was not anything made that was made therefore in the biblical world view there is no room for

00:12:17a mysterious highly evolved race of alien beings from another planet to come here and visit there is no life in the universe that exists apart from Christ since by him all things consist however the Bible does indeed talk at length about intelligent beings that are not from this planet coming here and engaging with Mankind and those alien beings in the strictest sense of the word the Bible calls Angels even right now as you listen to the sound of my voice and watch this video those unseen beings are watching

00:12:51you watch this video so according to the Bible there are intelligent beings that have come to Earth and that are still on the this Earth but that are not from Earth in the Book of Genesis God sent an angel to comfort Hagar after she fled into the Wilderness two angels appeared in Sodom and Gomorrah to lead lot and his family out of the city before it was destroyed the angel Gabriel appeared

to Zechariah to share with him that he and his wife would finally have a child even in their old age an angel also appeared

00:13:24 to Joseph and Mary separately informing them that Mary would give birth to a son and at that birth Angels gave the good news to the Shepherds tending their flocks in the field angels ministered to Jesus in the wilderness and delivered Peter from jail all throughout the Bible these visitants from another world were sent of God on their missions of Mercy to comfort and instruct God's people on the other hand the Bible also reveals that there are other Angels who have rebelled against God and against his

00:13:54 government that are working to cause misery and suffering in pain these angels that have fallen and been banished from Heaven the Bible calls evil spirits but today are commonly called demons Paul speaks of them saying for we wrestle not against flesh and blood but against principalities against Powers against the rulers of the darkness of this world against spiritual wickedness in high places in the biblical worldview the existence and work of both good and evil angels is acknowledged and explained the the Bible teaches that all

00:14:30 living things since they were created and sustained by Jesus are subject to his authority we read in Luke that Jesus called his 12 disciples together and gave them power and authority over all devils and to cure diseases in the next chapter the disciples realized that they could indeed exercise authority over these fallen angels and the 70 returned again with Joy saying Lord even the devils are subject unto us through thy name the individual who has surrendered themselves fully to Jesus becomes his

00:15:04 property and to them is given the right to invoke the name and authority of Jesus over these evil angels Jesus said to such behold I give unto you power to tread on serpents and scorpions and over all the power of the enemy and nothing shall by any means hurt you not withstanding in this Rejoice not that the spirits are subject unto you but rather Rejoice because your names are written in heaven in fact this power Jesus delegated to his followers has much to do with identifying UFOs and aliens because this power that Jesus

00:15:40 gave to his people to exercise over evil angels is one of the best kept secrets in UFO research Joe Jordan a UFO researcher and author of the book Unholy communion shares his incredible but unwelcome findings from his research of alien abductions what we found was something very significant in the UFO Community uh research Community as we were researching and following up investigations on UFOs uh we were also holding our monthly meetings and encountering people who claimed that they were abduction experiencers well

00:16:16 this guy says that he had stopped his experience while it was happening well I thought wait a minute they said that wasn't possible and we had to take a look at this and as I went and talked to these leading researchers and that's when I found out that they also had come across cases where people had stopped the experience and what was interesting was the way that the experience had been stopped this gentleman that I had come across that we had taken his testimony he said that he had called out in the

00:16:47 name and authority of Jesus Christ said Jesus Jesus help me an experience abruptly stopped and he woke up in bed you have to make that commitment if you keep the first commandment and you mean it with all your heart your mind your soul and everything that's in you then these things can stop and they will leave you alone I'm a testimony to that these leading researchers off the Record they told me that they too had come across similar cases where people had either hummed a hymn or sang A Hymn or quoted scripture

00:17:21 uh or something of the sort and the experience stopped a guy that witnessed to me suggested to me that the UFO thing might be demonic and in the name and authority of Jesus Christ have been able to stop the experience repeatedly from happening to me again and when I would call upon the name of Jesus Christ the encounter would stop and I said but you guys said that this couldn't

be stopped and they said well their answers were we didn't know what to make of it and I would have been fine with that

00:17:52except that they had to go and give me another excuse and it said the excuse was we were were afraid to go there because it might affect our credibility in the UFO research Community when I opened my eyes there was a great alien within inches of my face and I actually felt his breath on my skin I turned away to get away from him and fell back to sleep the next morning my son opened my eyes by saying that wasn't an alien mom it was a demon and reminded me that I did already have the authority as a born- again Christian

00:18:25to make this go away about 2 months later it happened again and as they approached my bed I just frankly said no three times claiming the authority of the blood of Christ and they disappeared in the thin air what we're dealing with here is not a physical experience not a physical take to a ship experience we're dealing with a demonically inspired Visionary spiritual experience I was having abduction experiences um up to 2 and half years ago and it said to rebuke in the name and authority of Jesus

00:19:02Christ and that's what I did and the abduction stopped the next time I felt one coming on that's exactly what I did I the Lord Jesus Christ rebuke you and I haven't had an experience since after 20 25 years of this research working with over 600 plus cases of abductions we have found that the name and authority of Jesus Christ and a personal relationship with him can not only stop stop this experience but terminate it as a life pattern the very fact UFO Abduction experiences can systematically and consistently be immediately stopped

00:19:39even in the middle of such an experience shows that these alien entities are subject to the authority and the name and the power of Jesus Christ thereby proving beyond all manner of doubt that these so-called alien entities are in reality demonic spirits Fallen Angels who have rebelled against God and who are working to destroy and deceive mankind this is the truth about the identity of aliens and UFOs many are wanting but unwilling to accept this is the finding that is upsetting the UFO Community this is not what they want to

00:20:15hear they want to hear this is real they want to hear this is coming from physical beings they don't want to hear that this is a spiritual experience because that opens up a whole another can of worms and now I tell my story because I want people to know if you seek this stuff out you will find it it is real but it's not what Hollywood is telling you it is Jesus Christ has given us the authority to trample on scorpions and serpents and scorpions and serpents that's just a just another name or another way of putting it for demonic

00:20:45entities if that's successful to me that that says there's an there's some inherent spiritual element to this particular thing within this big umbrella world we call UFO stuff but since it's inherently spiritual and it's evil and it's wicked a lot of UFO researchers are the enemies of the whole subject if you've been involved in this realm at all you've heard the word cover up and it's always government cover up this government cover up that excuse me if you're have any involvement in this realm I will tell you that the leading

00:21:18researchers themselves have agendas and they are covering up information that they don't want you to hear and the people in the Pentagon trying to hide the truth from you there are forces powerful forces that don't want this story told and I've go to Great Lengths to keep it a secret alzado recounts one specific encounter with a high ranking member of this socalled Collins Elite he stopped me in the Halls at the Pentagon he said have you read your Bible lately and I was kind of surprised by the question

00:21:52like I mean I know what the Bible says what may ask specifically what he mean says then you know what we're dealing with are are demons these are demonic beings and we shouldn't be looking at them I stopped being curious about this because I don't want to know anymore but um you you truly don't want to know anymore about it I think I know I think I know what's up supernatural beings

take physical form there's communication that comes with this experience so a lot of people that have it and that

00:22:18communication is always a new alien gospel it's always Antichrist anti- God anti- creation anti-bible and you keep going the messaging that that people supposedly get from Aliens is inherently anti-christian and with all the different belief systems on this planet why is it against only one if this is the content of the messaging it's so directed again in anti-christian or subversion of Christian theology that it's very easy for me to think of it in terms of a deception uh by again a superior intelligence but not one that

00:22:58comes from another planet we're talking about a Sinister intelligence from the spiritual world the kind of unseen realm that the Bible talks about the Bible also has much to say about the activity of demonic spirits in the last days I hope you are sitting down because you are going to see some things in the scriptures that you didn't even know were there and you will be challenged and some things may be hard to hear and I know some things will be different than what you have been led to believe

00:23:26even by well-meaning ministers priests and pastors but I share these things with you in the name of the Lord because they are true and because the Lord has bidden me to share them with you because he loves you and wants you to have an opportunity to untangle yourselves from the greatest deceptions this planet will ever face and These Warnings are for the generation now living for it is this generation that will be brought face to face with the most extraordinary manifestations of Supernatural power

00:23:57ever conducted by evil angels we see just such a prophecy revealed in the 16th chapter of the Book of Revelation and I saw three unclean spirits like frogs come out of the mouth of the dragon and out of the mouth of the Beast and out of the mouth of the false prophet for they are the spirits of devils working miracles which go forth unto the kings of the earth and of the whole world to gather them to the Battle of that great day of God Almighty unclean spirits in the Bible are fallen angels known as demons and here called

00:24:32the spirits of devils and here is revealed an increase in the activity and manifestations of demonic spirits in the last days not merely here and there but throughout the entire world the Apostle Paul warned that in the latter times some shall depart from the faith giving heed to seducing spirits and doctrines of devils and he warns the chief characteristic of these Spirits is that they will be speaking lies and they will speak lies everywhere the reference to these spirits of devils as frogs takes us back

00:25:07to the plagues of Egypt when frogs covered the land David says in the Psalms their land brought forth frogs in abundance in the chambers of their kings the frogs went into the chambers of the Kings and What will the frogs do at the end of time we read for they are the spirits of devils working miracles which go forth unto the kings of the earth and of the whole world and what is their purpose in entering into the chambers of the kings of the world it is to gather them to the Battle of that great day of

00:25:41God Almighty the objective of the unclean spirits is to enter into the inner Chambers and councils of the kings of the earth and speak lies to them and engage them and their armies in one last battle against God and against his people and that is exactly what the frogs accomplished in the land of Egypt leading pharaoh and his army to engage in a battle against God and against his people in these last days unclean spirits will likewise go forth unto the kings of the earth and of the whole world their tongues will be their most

00:26:16effectual weapon with which to catch their prey while John says I saw three unclean spirits this is not to be understood to mean there are only three demons but rather three divisions of demonic fluence for example in the gospels Jesus said to a man possessed of a demon come out of the man thou unclean spirit and he asked him what is thy name and he answered saying my name is

Legion for we are many though Jesus said the man was possessed of an unclean Spirit we see that it comprised of many demons for the

00:26:52 word legion means a large military force we may then understand the prophecy of three unclean spirits to comprise three divisions or Legions of angels and how will they convince the world of their lies the prophecy States it will be by working miracles therefore in these last days God is telling us to expect a marked increase in the manifestation of demons who will work miracles to sustain their lives in your books particularly your most recent book messengers of deception which is many years old you suggest that

00:27:28 UFOs are deliberately trying to manipulate uh our subconscious mind to there's zero information to suggest what they are doing is for benevolent reasons but there's also evidence that there's deception involved in these encounters such manifestations of evil spirits is called spiritualism there are many ways in which demonic spirits manifest their presence and power and even communicate with human beings through spiritualism example may include Ouija boards tarot cards astral projection or remote

00:28:03 viewing seances palmering automatic writing channeling psychics magic levitation casting spells wiah witches and wizards Poltergeist ghosts mirror or Crystal ball gazing pendulum divination Voodoo transis Transcendental Meditation Spirit dolls and hypnotism are all ways in which Satan and his angels manifest their power or even manifest themselves to communicate with human beings but there are two more ways in which demonic spirits interact with mankind more effectually I say more effectually because in these two methods

00:28:44 Satan and his angels are not recognized as the true identities remember in the latter times the spirits would be speaking lies in hypocrisy hypocrisy is defined in the Cambridge Dictionary as a situation in which someone pretends to believe something that they do not really believe or that is the opposite of what they do or say at another time in other words these Spirits at the end of time will pretend to speak the truth and have an appearance of good while in reality concealing their true identity and evil

00:29:18 intentions and what does the Bible say about evil spirits appearing as though they were righteous and no Marvel for Satan himself is transformed into an angel light therefore it is no great thing if his ministers also be transformed as the Ministers of righteousness whose end shall be according to their works so Jesus' warning is that these Spirits speaking lies and hypocrisy outwardly appear to be righteous and to have good intentions but it is only a cloak to cover their evil intentions and lies these last two ways in which evil

00:29:55 angels manifest themselves and communicate with man are both under a guise of hypocrisy one of those methods is by claiming to be benevolent aliens or visitors from Far distant planets Satan is called in the scriptures The Prince and the power of the air and no wonder then if Satan and his angels should transform themselves into alien beings from Far distant planets who fly across our skies with messages of Hope and instruction for the benefit of mankind this was exactly what one former Satan worshipper revealed was Satan's

00:30:31 plan there was a big thing that was coming up one of the uh major deceptions of the last days and the priest told us uh he had we talked quite a while and then he said could I have a little bit more your time I want to do something very fascinating he says the grain plain the Master's Grand Plain for harvesting the Nations for for harvesting the multitudes of the earth into his calls just before the close of the greatek controversy between the forces of Good and Evil so we continued you after we express ourselves

00:31:06 we're deeply interested to know more about the activities of spirits and he said it's going to be done in a unique manner this this rain plan is going to take people people are going to eat the stuff because it says Spirits demon spirits will declare themselves to be inhabitants of far distant planets the galaxies that are coming to warn the inhabitants of planet Earth of the impending destruction of

the planet unless something seriously proper is done to avoid it though he went not explaining about the

00:31:45fact that the spirits will show themselves willing to give valuable guidance that will not only help people avoid the D of the planet but it would cause it to enter into a higher state of existence for instance he said the spirit will will promise this is a big word promise that if there recommendations are followed carefully they will Usher in a glorious new age of peace and prosperity and there there'll be um well there'll be no more Wars see uh there'll be no more famines there'll be no more uh people getting

00:32:30unhappy to one another neighbors will love neighbor and social unrest will not take place no more it'll be sure there'll be perfect happiness for a thousand years that's what the spirit is going to promise [Music] by supposedly coming to our world and presenting themselves as a more evolved race of beings with light and knowledge for mankind that will prevent us from destroying our planet and curbing climate change the true identity of Satan and his angels will go undetected and the lies mankind will be inclined to

00:33:26believe thereby making the deception more effectual Americans may think that UFO activity is occurring in other parts of the world as often as it does in the United States but in this they would be very wrong Satan will manifest himself in whatever form he thinks you will accept in Eastern religions it is more common for them to see manifestations of their innumerable Gods but in America and Western cultures that are predominantly Believers in evolution Satan and his angels know they will be more readily accepted as a race of more

00:34:07highly evolved visitors from Far distant galaxies people unknowingly open a door so I'm talking about doors that are referred to in scripture and God's holy word the Bible things that he tells us not to mess with there's a reason for that is because it gives the enemy a right to affect us in our lives like New Age metaphysics uh the Paranormal of any type um any of those can open you up to this experience the second way in which Satan and his angels can manifest themselves and influence the World At Large without

00:34:44detection is through necromancy which is communication with the dead when Satan and his angels perfectly personate our departed loved ones the deception is nearly irresistible this deception would not be possible without the belief that when people die they are not really dead but rather have transitioned to a different form of life in a different place this belief is almost Universal even in the Christian world where it is known as the doctrine of the immortality of the soul the idea that everyone has inside of them a soul

00:35:22That Never Dies this idea that death is not really death was actually Satan's first first lie in the Garden of Eden and the serpent said unto the woman ye shall not surely die and today most Christians believe the devil's lie ye shall not surely die instead of God's word which declares the soul that sinth it shall die that is not my opinion the soul that sinth it shall die this is the expressly stated word of the Living God the idea that one ascends to Heaven at death though popular is not a teaching one

00:36:03finds in the Bible the most popular verse in the entire Bible makes it plain the decision of the Gospel is not whether you will live forever in heaven or live forever in hell but whether you will live or perish for God so loved the world that he gave his only begotten son that whosoever believeth in him should not perish but have everlasting life perish or everlasting life are the results of either accepting or rejecting Jesus as our savior in the Book of Ecclesiastes Solomon writes for the living know that they shall die but the

00:36:42dead know not anything and there is no work nor device nor knowledge nor wisdom in the grave wither thou goest he represents death as a state of unconsciousness since the dead know not any and says there is no knowledge in the grave yet most Christians today believe their dead loved ones are in fact not dead but alive and being alive on the other side they have more enlightened

knowledge than do the living which is exactly the opposite of what the Bible here declares even Jesus taught death as asleep in Luke chap 11 when he told the

00:37:23disciples our friend Lazarus sleepeth but I go that I may awake him out of sleep afterwards the disciples were confused thinking Lazarus was just sleeping and that he would be fine but Jesus clarified what he meant by sleep then said Jesus unto them plainly Lazarus is dead yet in spite of these very plain statements in God's word many Christians will yet believe a person Never Dies seeing they have an immortal soul that ascends immediately to heaven and here is the danger of it all they open themselves up to communication with

00:38:03the spirits of devils pretending to be their departed loved ones who are speaking lies in hypocrisy necromancy or speaking to the dead was practiced by the children of Israel despite God's Express prohibition against it saying there shall not be found among you anyone that maketh his son or his daughter to pass through the fire or that useth the Divination or an observer of of times or an enchanter or a witch or a charmer or a consulter with familiar spirits or a wizard or a necromancer for all that do these things

00:38:39are an Abomination unto the Lord if someone you love that has died appeared to you and looked exactly like they did when living and sounded exactly like them and even shared things with you that only they would have known and then went so far as to perform miracles before you the only way that you wouldn't believe them is if you both understood and believed God's word that the dead know not anything whether appearing as an alien race or the spirits of the Dead these are two of the most effective ways in

00:39:14which Satan and his angels have deceived Mankind in particular because the true identity of these spirits of devils is not detected when they appear in either of these two disguises and what's happened lately over the past decade or so is I see numerous cases where they talk about actually some of them meeting dead relatives during the experience on the craft uh excuse me how does that even make sense [Music] [Music] hi Sparks D you're seeing familiar spirits they knew your dead relative I missed

00:40:12you they knew your dead relative better than you did they can mimic them they can talk like them they can do whatever it takes to get you to believe what they're trying to show you they can and do give us any illusion they choose during abduction scenar scenarios one young man a young boy abducted with his grandmother in a situation I don't need to go into at this time uh was brought had brought into the room the grandfather just happened the grandfather had been dead for six years so in answer to the question who are

00:40:44they we can conclusively say they are the spirits of devils working miracles because that is exactly what God's word declares them to be in January of this year a new whistleblower Jake Barber came to share his experience as a helicopter pilot recovering and transporting unidentified flying objects included the recovery of downed UAP of non-human origin but the experience he had is incredibly similar to the experiences of those who have had near-death experiences I was going to break down in uncontrollable crying from

00:41:24love there was so much love paor ing from this being you know no judgments no everything was okay everything was fine just this real um love in near-death experiences people often experience an overwhelming emotion of love and connectedness while either visiting God or Jesus or Krishna or aliens or dead loved ones I see my dad seen my sister once again Satan presents himself in whatever form he knows you will accept those who practice remote viewing or astral projection often have the same experiences of

00:42:04overwhelming emotions of love you want complete guidance when you are going through doorways and you are out of body you want a universal guidance you want pure love and pure light around you whether through near-death experiences or through remote viewing the experience is obtained through the power of demonic spirits and what would you conclude then if you heard that

people were able to summon UF foes through the practices of psychic or psionic abilities and remote viewing my name is Robert Bingham and

00:42:35what I do is I'm a Summoner I bring in UFOs and I interact with the UFOs no it's right there oh yeah there it is there it is listen to the UFO whistleblower Jake Barber as he describes his experience transporting a UFO so as I get closer to this pixite I start feeling odd I start feeling extremely emotional um and the closer I get the more the emotion starts to overwhelm me I feel this intense hybrid of sadness and happiness and Beauty um and song and it was very disruptive to me cuz I had a very practical resp

00:43:27responsibility at the time to operate a helicopter in the mountains at night and I began wondering what was wrong with me it was late I'm like am I distressed am I tired I don't know um but as I came over this object for the pick it was this overwhelming sense of emotion is it your feeling are you suddenly having a mental breakdown on the job no I felt like something connected with me I felt like something had tuned in to me and my soul and was providing me some sense of guidance on what to do and how

00:44:12profound what I was doing was um and it was so overwhelming that I began to cry and then I'm confused as to why I'm crying at the same time and then I'm do I abort the mission do I and I so I just did my best to focus on my particular cues when doing this type of work and I got the load hooked up and I began flying away and once it was just me and that object in between the pick and the drop site there was about 20 mi in between I felt like something was inside of me I felt like I was possessed by the

00:44:50most beautiful spirit I'd ever been possessed by and was it loving it was loving um but there was a sense of sadness at the same time do you see then how all of these activities including UFOs near-death experiences and remote viewing all have the same characteristics because they all occur by the same power the spirits of devils working miracles another practice growing and popularity is channeling aliens in your mind you have you know to telepath messages through the All I Want for Christmas Is us all

00:45:38to meditate and try to channel extraterrestrial when we say something like aliens are living here Kelly claims to be an alien of uh can you explain a little bit about why you feel like you aren't just a human so call occupants of interplanetary CRA if you want to have a relationship and if you want to see stuff flying in the sky you need to be channeling a loving energy star seeds are souls from another star system that have incarnated as [Music] humans I've you know having the type of Channel I do where I Astro project and

00:46:23meet with the with the guy that I work with treb he's shown me a lot of things like a lot of different planets a lot of different entities like okay so I'm like trying to get all my friends and family into meditating the aliens to [Music] us I mean you have been channeling thousands of different ET consciousnesses but the thing about channeling is if an ET functions telepathically and they can make a connection with someone and train them how to get into the proper state in their brain and they can they can

00:47:04resonate in a harmonious way controlling that object was also connecting to me through the Mind through my mind and so how did the object come to land I think it was invited to land by the psionic team Jake says his mission that night came from no accidental crash the UAP was summoned by a separate team a special team with special abilities they're called psionics what is a psionic a psionic uh person is someone with the predisposition for um extral temporal you could say abilities and sensitivities extemporal

00:47:50abilities also known as psychic powers what did you discover where the psionics were being used for for in the program in the program there was certainly a desire to explore the idea that perhaps UAP could be summoned could be communicated with could be controlled and could be persuaded to land all by deploying people with uh psionic abilities and did you see that happen yes I

did when a psionic operator engages with technology how do they do it using their mind um something like meditation it all seems so farfetched

00:48:32psychically gifted humans linking with possibly alien ships summoning them and even piloting them you got a chance to talk to the psionics yeah when they mentally telepathically engaged with whatever this intelligence was what did they tell you about it well that uh they refer to it as a they in a very spiritual nature something like like Angels uh Angels and Demons uh let's say there're certainly good energies and bad energies but it's talked of in a very um in a very nebulous way like this cuz no one really

00:49:09knows what it is for over 40 years one man has championed the cause of developing peaceful relationships with extraterrestrial intelligences that have been visiting planet Earth for decades Steven Greer is a North Carolina doctor he does a lot more than watch the skies he fires off messages and he says that someone or something is responding and uh just before Sunset and I'm up at 5,000 ft and I see this right before I sit to meditate I look over towards the southwest and there's a seamless metallic disc and then when you connect

00:49:46with an ET craft or person you then zoom in and show them where you are before I'd go to bed I would do these protocols just exce well maybe see if this works every single night the Rangers and police would report UFOs all over the area Steven Greer has been studying UFOs for decades and has developed a protocol called C5 for Close Encounters of the fifth kind where he engages in Transcendental Meditation a practice of silently repeating a mantra to communicate with alien beings Steven was trained as a

00:50:22transcendental meditation teacher and practices remote viewing and how did his journey begin in the study of UFOs it began with a near-death experience now you don't have to drop dead like I did to have that happen I think you can experience that through this deeper experience in meditation and that's why after I had that near-death experience i s how do I get back to there without being deathly ill and so I began to learn how to do meditation man wasn't ready for it it would challenge everything we've ever been taught about

00:50:55uh God about the the Creator I think back in the 40s 50s there was some of that concern there's still some of that concern from your more fanatical religious elements who don't want to accept that there's life Anywhere But Here uh but that's the lunatic fringe 10 [Applause] 15% [Music] EXT this shows once again there is a definite connection between near-death experiences UFOs meditation and remote viewing and alien encounters because all the time this summoning of UFOs is actually the summoning of a

00:51:42manifestation of demonic spirits another popular way of invoking communication with these so-called extraterrestrials is by the use of hallucinogenic substances like iasa for hundreds of years medicine men here have utilized a plant-based drug called iasa for healing and to access other worldly Realms in the ceremonies and Altered States that are conjured up in the Amazon and other places there is information that seems to be of great value iasa makes the curtains between realities vanish the active ingredient in the

00:52:22prepared concoction is dimethyl tryptamine or DMT this powerful psychedelic chemical is found in small quantities within the human body the substance is believed to be released into the human endocrine system and floods the pineal gland upon death and during near-death experiences some Modern researchers believe the substance can open doorways to new realities what we're looking at here are incredible remarkable plants that are using receptors in our brains to help us have these otherworldly experiences contact otherworldly

00:53:06beings through ceremonial trances Elders claim to be able to freely access a realm where they connect with ancestral beings the Aboriginal artwork depicts these ancestors with oblong heads and large eyes an appearance that ancient astronaut theorists find eerily similar to the modern day accounts of gray aliens one of the great Revelations of the iasa experience is that they experience

ancient ancestors as well as extraterrestrial beings suggesting that in fact the ancestors and the extraterrestrials are the same

00:53:45 beings in 2020 the Journal of humanistic psychology published a study titled anomalous psychedelic experiences the study's abstract States this essay reviews the nature of 10 transpersonal or parapsychological experiences that commonly occur spontaneously and in relation to the use of psychedelic substances and these common experiences included out of body experiences near-death experiences entity encounters alien abduction sleep paralysis and others all from the use of substances like ketamine DMT and

00:54:23 i ask the chemical substances put the brain in a state similar to that achieved during Transcendental Meditation where the brain is open to being influenced by demonic spirits and this is why psychics and channelers who in ancient times summoned the spirits of the Dead are now just as able to summon UFOs and alien encounters without realizing that they are summoning the spirits of devils working miracles you can summon alien orbs it's it's it's been happening for the last 15 years and uh uh you know I ask

00:55:03 them to come and they come there are three main classifications of close encounters with UFOs these classifications were first coined in the 1910 book the UFO experience a scientific inquiry in which the author stated Close Encounters of the Third Kind are those in which the presence of animated creatures are reported Close Encounter of the Third kind is really when you meet him and when individuals have experiences where they meet them what are they meeting they are meeting the spirits of devils working miracles and

00:55:44 that is the truth UFO Believers have been searching for their whole lives but unwilling to accept a close encounter of the Third Kind is an encounter with fallen angels this prophecy that unclean spirits like frogs will go to the whole world is God warning his people that demonic activities and manifestations will increase significantly at the End of Time mommy your grandma's here and she says hi jamela what and now that we know the manifestations of dead loved ones or alien visitors from other planets are

00:56:26 both both in reality the spirits of devils working miracles then all we need to do in order to understand what they will say and what they will do is study to see what the Bible reveals about their agenda their purpose and how they plan to accomplish it then whether these demonic spirits manifest themselves as departed loved ones or aliens or both we will not be taken in the deception because we already know the truth the Bible speaks of Jesus whose coming is after the working of Satan with all

00:57:03 power and signs and lying wonders and with all deceivableness of unrighteousness in them that perish because they received not the love of the truth that they might be saved before Jesus returns Satan and his angels will work with all power and signs and lying wonders and miracles with the intent of lying to and deceiving the world and what is our only hope of being shielded from these deceptions not a knowledge of the truth but a love of the truth there are many people in the UFO community that

00:57:37 passionately profess their desire to understand the truth about UFOs whatever it is but they reject entirely the notion that UFOs and aliens are the working of demonic spirits because it contradicts their evolutionary worldview they could be confused with say an angel or something but they're not they're not from they're they're ETS with star systems and planets and bodies they say they want the truth and they spend their whole lives looking for it and researching it but this truth is not allowed proving that in the end they

00:58:11 don't have a love for the truth they love instead the idea that these manifestations are aliens from other planets but I tell you now the added proof that these manifestations are indeed the working of demonic spirits can be demonstrated by looking at a prophecy in the Bible that reveals in advance the entire agenda of these beings and what they will say and what they will do when you

begin to see and hear these things with your own eyes remember this video and you will know that the position articulated here from

00:58:46 the Bible is indeed the truth so if you have a love for the truth let's now advance to the next level of disclosure and conclude exclusively answer the question that everybody wants to know but nobody can answer and that is what will they [Music] do in this prophecy in Revelation chap 16 we see these spirits of devils come out of three places the mouth of the dragon and out of the mouth of the Beast and out of the mouth of the false prophet what these spirits will do is intimately connected with the identity

00:59:29 of these symbols so in order to understand the objective and methods of these lying Spirits we need to understand the identity of the Dragon the Beast and the false prophet each of these symbols is in their own respects a large enough topic to Warrant their own exhaustive studies but for the sake of time I will try to be brief yet try to give some basic evidences to show how we can identify them seeing most people are unfamiliar with these prophecies entirely first let's look at the dragon Revelation 12 gives us a sketch of the

01:00:05 Dragon which ultimately is a symbol for Satan as it is explicitly stated the Great Dragon was cast out that old serpent called the devil and Satan in this chapter we read and the dragon stood before the woman which was ready to be delivered for to devour her child as soon as it was born the Dragon or Satan at this point was working through Pagan Rome to persecute God's people here depicted as a pregnant woman dressed in white about to deliver a male child speaking of Jesus the dragon Desiring to Devour the child or kill

01:00:42 Jesus was fulfilled when King Herod heard about the birth of the Messiah and he was exceeding wrath and sent forth and slew all the children that were in Bethlehem and in all the coast thereof from 2 years old and under Rome was at this time a pagan Nation paganism was regarded by Christians as a false system of worship or any non-Christian religion for example the Romans worshiped gods and goddesses like Jupiter Mars Venus and Diana and these practices of worshiping false gods Christians regarded as

01:01:19 paganism because paganism was the state sponsored religion of Rome Satan the Dragon used the Civil power of the state to uphold paganism and to persecute Christian Believers whether it was being torn apart by dogs or lions in the Coliseum crucifying them or burning them alive as human torches at the orders of Nero the non-Christian and therefore anti-Christian influence of paganism in Rome was the religious power through which Satan the dragon worked to persecute God's people so the Dragon also represents paganism now let's move

01:02:00 to Revelation 13 and look at the identity of the Beast the prophet John writes I stood upon the sand of the sea and saw a beast rise up out of the sea having seven heads and 10 horns and upon his horns 10 crowns and upon his heads the name of blasphemy in verse 5 John adds there was given unto him a mouth speaking great things and blasphemies in the Bible speaking great things or blasphemy carries with it three definitions one of which is claiming the ability to forgive sins we read in Mark chapter 2 why do this man thus speak

01:02:39 blasphemies who can forgive sins but God only blasphemy is also claiming to be God for John writes the Jews answered him saying for a good work we Stone thee not but for blasphemy and because that thou being a man makest thyself self God and finally blasphemy is claiming the authority to change God's law the Prophet Daniel wrote of the little horn identified as the Antichrist saying that he shall speak great words which is blasphemy against the most high and shall wear out the Saints of the most

01:03:15 high and think to change times and laws and what power on Earth can we look to that has claimed the ability to forgive sin the titles of God and change God's law there is but one power that meets this specification and that is the Roman Catholic Church also called the papacy Rome was Pagan in the first few centuries of its existence but the Christian religion continued to grow until

theodosius I declared Christianity the official state religion of Rome in 380 ad after Rome fell in 476 ad Emperor

01:03:53 Justinian in his famous Justinian decree of 533 proclaimed the bishop of Rome to be the head of all the churches and in 538 ad all the power over the Fallen Roman territories was granted to the papacy John foretold this transfer of power from Pagan Rome to papal Rome when he said and the dragon gave him his power his seat and great Authority the Beast who succeeded Pagan Rome is therefore the Roman Catholic Church the papacy which was also the most malevolent persecuting power of God's people and like Pagan Rome before it

01:04:34 used its civil authority over the Fallen Roman territories to persecute Christians and anyone who defied its religious dogmas which had become the law of the land for over a thousand years for so the prophecy stated and it was given unto him to make war with the Saints and to overcome them and power was given him over were all kindreds and tongues and Nations the end of the beast's Reign came in 1798 when General birth year of Napoleon's Army marched into Rome and took the pope captive by this act the

01:05:09 Beast suffered its deadly wound until 1929 when the papacy was once again restored yet thus far without its civil authority to resume persecution instead the Bible declares this papal Beast will resume its persecuting power through another agency who is next on our list and that is the false prophet John speaks of the false prophet in chapter 20 and the Beast was taken and with him the false prophet that wrought Miracles before him with which he deceived them that had received the mark of the beast here are two key

01:05:50 characteristics that help us to identify the false prophet one the false prophet WR brought Miracles before him that is before the Beast the word before means in the sight of or in the presence of so this false prophet whoever it is performs miracles in the presence of the beast when we go to Revelation 13 we read and deceiveth them that dwell on the Earth by the means of those Miracles which he had power to do in the sight of the Beast so just like the false prophet this power in Revelation 133 also

01:06:29 performs miracles in the sight of the Beast or in its presence the power that does this in this chapter appears under the symbol of a two-horned beast for John wrote and I beheld another Beast coming up out of the earth and he had two horns like a lamb and he spake as a dragon here's the point this two-horned Beast and the false prophet both perform miracles in the sight of or in the presence of the beast and in both verses these Miracles are performed for the purpose of deception so these facts

01:07:03 prove the false prophet and the two horn Beast are one and the same for they perform the same work in the same place and for the same purpose so the false prophet and the two horn Beast are the same power now let's examine this title of being a false prophet is not a prophet someone who speaks on behalf of God of course and so a false prophet is one who pretends to speak for God but doesn't in other words he is a pretender or a hypocrite a liar and that is exactly what we see of this two-horned

01:07:38 beast in Revelation 13 that he had two horns like a lamb and he spake as a dragon in other words it appears somewhat like a lamb which is a symbol for Jesus Christ the Lamb of God so this Beast therefore appears as a Christian Nation but in reality it isn't Christian at all it only lies about being Christian for it spake as a dragon because this nation professes to speak for God but in reality speaks as a dragon makes it indeed a false prophet this further cements that the two-horned Beast and the false prophet are the same

01:08:17 power and because this nation pretends to speak for God shows us that there is a religious component here not to be overlooked if it were merely a civil government with no religious Affinity it would not be thus described as a false prophet pretending to speak and act on behalf of God and without question the religion is a profession of Christianity because the two horns were like a lamb or

like Christ and when will this Beast rise to power the prophecy reveals this also in Revelation 13 and: 10 John just

01:08:55 finishes his prophecy concerning the Beast the papacy and says he that leadth into captivity shall go into captivity he that kth with the sword must be killed with the sword in other words the papacy that had for over a thousand years led the people of God into captivity and torture and Death Shall now itself go into captivity since he that leadth into captivity shall go into captivity and this was fulfilled in 1798 as already mentioned when Napoleon's Army took the pope captive and notice it is at this time in 1798

01:09:36 and John says and I beheld another Beast coming up out of the earth and he had two horns like a lamb that's like Christ and he spake as a dragon in other words here is another Beast or a professedly Christian Nation that arises around 1798 when the pope was taken captive this nation therefore is none other than the United States of America it is regarding this country that the prophecy says he spake as a dragon and he exerciseth all the power of the first Beast before him and causeth the Earth and them which

01:10:14 dwell therein to worship the first beast and what was all the power of the first Beast it was by the combination of both the civil and religious power that the the Roman Catholic Church persecuted the saints of God by inflicting civil penalties for denying the Catholic faith and if the United States of America shall exercise all the power of the first Beast then we will see this power to persecute God's people repeated right here in America and it will be repeated in the same way by granting civil

01:10:50 authority to an apostate form of Christianity thereby enabling it to enforce its religious dogmas through civil legislation finally we know the identity behind the symbols of the Dragon the Beast and the false prophet the dragon was Satan working through paganism which employed the power of the state to persecute Christians who rejected paganism the Beast is the Roman Catholic Church which employed the power of the state to persecute Christians who rejected Catholicism and we will see apostate protestantism rise in the

01:11:26 United States of America and like its predecessors employ the power of the state to persecute God's people who will reject its unbiblical Christian doctrines already we are seeing this coming to fruition Paul warned us this no also that in the last days perilous time shall come and he warns of those lovers of Pleasures more than lovers of God having a form of godliness but denying the power thereof from such turn away here is a classification of people who profess to be Christian for they have a form of godliness but the problem

01:12:02 is they are denying the power thereof what happens in a professedly Christian Nation when a professedly Christian people recognize the immorality in the world and the Injustice and the woke agenda and the sexual immorality but have not the power of God working in their behalf to overcome such evils when they have not the power of God they will turn to the power of the state and clamor for civil authority to legislate the United States back into favor with God there are candidates embracing the idea that whatever the First Amendment

01:12:36 actually says about the free exercise or establishment of religion that this wall between church and state should actually come down so much for this this myth of separation of church and state the church is supposed to direct the government the government is not supposed to direct the church that is not how our founding father s intended it and I'm tired of this separation of church and state junk Seven Mountains mandate or the Seven Mountains Dominion which is a Christian Evangelical and Pentecostal belief that urges its

01:13:07 followers to establish God's Kingdom on Earth by controlling the seven mountains of society family religion education arts and entertainment Commerce media and government of a task force brand new to eradicate anti-christian bias about time right that there are people out there who want to take the country back to a more Christian culture as we the church are God's governing body on

the earth whereas we have been given legal power from heaven and now exercise our Authority and I'm a Christian and I say

01:13:48it proudly we should be Christian nationalists Paul writes from such turnaway this may seem unrelated to the subject of UFOs and aliens but wait because we are not done yet we have simply identified now the dragon the Beast and the false prophet which is a prerequisite for understanding what these lying spirits of devils will do the chief characteristic of the work they will do is signs wonders and miracles for they are the spirits of devils working miracles what these Miracles are the Bible does not reveal

01:14:26except one there is one particular Miracle attributed to the false prophet or two-horned beast who we saw represents the United States of America in Revelation 13 we read concerning our own nation and he doeth great wonders so that he maketh Fire come down from heaven on the earth in the sight of men while we can all envision what it might look like for fire to come down upon the Earth from the heavens a better question might be what is the meaning and significance of this as Bible students immediately our minds should go

01:15:03to the scriptures and we should ask the question are there any other instances in which fire was brought down from heaven and if so do those accounts reveal the meaning of the event and the answer is yes to both Elijah the prophet of God was engaged in a contest against all the prophets of Baal who had deceived God's people to worshiping false gods Ahab the king of Israel had accused Elijah of being the cause of a drought in the land and said to him art thou he that troubleth Israel and Elijah answered I

01:15:39have not troubled Israel but thou in thy father's house and that ye have forsaken the Commandments of the Lord and thou has followed balam Elijah had revealed the true cause of their lack of Reign the professed people of God had turned to false prophets and false gods Elijah then issued the challenge and said now therefore send and gather to me all Israel unto Mount Carmel and the prophets of Baal 450 and the prophets of the Groves 400 which eat at Jezebel's table at Mount Carmel they met in the ultimate contest

01:16:15the false prophets were to erect an altar with a sacrifice and Elijah was to erect an altar with a sacrifice and whoever worshiped the true God and was the true Prophet would be determined by fire coming down from heaven to burn up their sacrifice the prophets of Baal did all they could to invoke the approval of their gods all day they prayed danced shouted and cut themselves and still their Altar and its offering was untouched then it was Elijah's turn and we read at the time of the offering of

01:16:49the evening sacrifice that Elijah the prophet came near and said Lord God of Abraham Isaac and of Israel let it be known this day that thou art God in Israel and that I am thy servant and that I have done all these things at Thy word hear me oh Lord hear me that this people may know that thou art the Lord God and that thou H has turned their heart back again then the fire of the Lord fell and consumed the burnt sacrifice and the wood and the stones and the dust and licked up the water that was in the trench and when all the

01:17:26people saw it they fell on their faces and they said the Lord he is the god the Lord he is the god in these passages we read the purpose of the fire was one to identify the true God as Elijah had said to let it be known this day that thou art God in Israel and he added the god that anth by fire let him be God and then Elijah turned to God and said hear me oh Lord hear me that this people may know that thou art the Lord God secondly the purpose of the fire was to identify the true Prophet as Elijah

01:18:04also stated the purpose of the fire was to prove that I am thy servant and that I have done all these things at Thy word and then said Elijah unto the people I even I only remain a prophet of the Lord lastly the fire was to prove who was keeping the Commandments of the Lord as Elijah said to Ahab ye have forsaken the Commandments of the Lord so the significance of the fire coming down

from heaven was to be a sign of God's Divine hand proving that he is the true God that Elijah is the true prophet and

01:18:38 Ahab and the prophets of Baal had indeed forsaken the Commandments of God this was the significance of the fire from heaven the other time fire came down from heaven was immediately following Solomon's Prayer dedicating the temple he had built to the god of Israel now when Solomon had made an end of praying the fire came down from heaven and consumed the burnt offering and the sacrifices and the glory of the Lord filled the house the significance of the fire coming down from heaven was in this instance to be a sign of God's approval

01:19:11 therefore when we go back to the Book of Revelation and read of this false prophet and this counterfeit Protestant Christianity rising in the United States of America and bringing down fire from heaven we understand that the purpose of this Miracle is to First assert that the false prophet worships the true God even though it doesn't and secondly to assert that this false prophet is a true Prophet even though it's not and to prove that those who worship the Beast and its image are keeping the Commandments of the Lord even though

01:19:46 they aren't in short the purpose of the fire coming down from heaven is to convince the people of this country that it is acting and speaking on behalf of God but it's not acting or speaking on behalf of God and that is why it's called a false prophet the unclean spirits as frogs that come out of the mouth of the false prophet are the means by which this miracle and others will be performed not by the power of God for they are spirits of devils working miracles two most people when they see a miracle

01:20:26 immediately believe them to be of God not knowing that in the Bible Satan and his angels also have power to perform Miracles so far as God [Music] allows in the 1854 book The two-horned Beast the author writes some have supposed that all miracles must come from God and that no Miracles could come from an evil source this is a mistake for Pharaoh's magicians in the days of Moses wrought Miracles but when Miracles were performed which they could not do they acknowledged it as the Finger of God which virtually admitted that theirs

01:21:06 were from some other Source by these so-called Spirit manifestations Miracles are being performed by which men are deceived we now know the purpose of these Miracles performed in the United States are intended to deceive the people but deceive them into what this is the question that few have ventured to explore and even few are supposed to have answers for yet the Bible leaves us with no room to speculate for the purpose of this deception is revealed in the very next words of this prophecy concerning the United States it is

01:21:42 written and deceiveth them that dwell on the Earth by the means of those Miracles which he had power to do in the sight of the Beast then John continues saying to them that dwell on the earth that they should make an image to the Beast clearly then the purpose of these incredible Miracles performed by demonic Powers even bringing down fire from heaven is expressly for the purpose of deceiving the people of the United States into making an image to the Beast so what is an image to the Beast let's

01:22:16 break this down and make it very simple the dictionary defines an image as a visual representation of something or exact likeness semblance or a person strikingly like another person in other words the United States is to form a representation or exact likeness of the Beast who we already identified as the papacy the papacy the Roman Catholic Church is brought to view in many scriptures in both the Old and New Testament but one of the most unique depictions of its most prominent attribute is given in Revelation chap

01:22:51 17 John writes so he carried me away in the spirit Into the Wilderness and I saw a woman sit upon a Scarlet colored Beast full of names of blasphemy having seven heads and 10 horns now we already saw that a woman in Prophecy is a symbol for God's Church his people however this woman is a she is guilty of adultery against God so this is not God's Church it is a counterfeit church and where

is this horse sitting John writes that he saw her sit Upon A Scarlet colored Beast Daniel reveals that a beast represents a

01:23:29 kingdom when he said the fourth Beast shall be the fourth Kingdom upon Earth so what we have in the symbol of an adulterous woman sitting upon a beast is a counterfeit Church in control of a civil Kingdom a church and state power John's next words describe this woman in more detail and the woman was arrayed in purple and scarlet color and decked with gold and precious stones and pearls having a golden cup in her hand full of Abominations and filthiness of her fornication so this counterfeit woman or

01:24:02 church is dressed in purple and Scarlet colors an unmistakable sign pointing unequivocally to the Roman Catholic Church which sits in Vatican City a recognized civil State a sovereign international country whose Bishops and Cardinals are clothed in purple and Scarlet the Vatican Cod of arms itself signifies the key characteristic of the papacy and they State on the Vatican website about these two keys they have been variously interpreted as symbols of spiritual and temporal power in essence Spiritual Authority and civil Authority

01:24:41 so important is the papacy's union of its authority of church and state that to separate them was listed by Pope Pius the 9th in 1864 in his Syllabus of Errors the document lists all the Bel and ideas that the Catholic Church considers to be error item number 55 states it is an error that the church ought to be separated from the state and the state from the church likewise number 24 asserts that it is an error that the church has not the power of using Force nor has she any temporal power direct or indirect and what is the

01:25:18 reason for maintaining a union of church and state we read that in item 15 it is an error to believe every man is free to embrace and profess that religion which Guided by the light of reason he shall consider true this statement of course was in reference to the newly formed nation of the United States of America whose Constitution states that Congress shall make no law respecting an establishment of religion or prohibiting the free exercise thereof this constitutional prohibition against establishing any religion or religious

01:25:52 laws in America is the principle that guarantees Liberty of conscience and the freedom of religion as soon as civil government is permitted to form religious laws then civil penalties for breaking those laws bind the consciences of its citizens to the state but the consciences of men do not belong to this state they are the express prerogative of God no man on Earth is accountable to any other man in matters of worship in essence by establishing religious laws that contradict the consciences of the

01:26:27 citizens the state steals from God his right to the worship of his people this God will not tolerate and yet this is the very essence of forming an image to the Beast or a likeness of the government of the papacy these Miracles performed by the spirits of devils in America even bringing down fire from heaven are therefore designed to deceive the citizens of this country into uniting church and state or as the prophet states to make an image to the Beast the magnitude and scale of the Miracles

01:27:04 required even bringing down fire from heaven shows that the general tendency of Americans is strongly opposed to the uniting of church and state if Americans were inclined to unite church and state it would not require so great a miracle as bringing down fire from heaven and remember that this miracle was to be token of divine Authority presumably so and that is exactly how it will be used in the last days a giant deception to prove to the citizens of this country that arming the Christian churches in

01:27:38 America with civil power is the will of God that is the LIE religion and Christianity are the biggest things missing from this country and I truly believe that we need to bring them back and we have to bring them back fast I think it's one of the big problems we have that's why our country is going haywire we've lost religion in our country start the the the the the the return to to moral order

in this country is by force it's the only way it's the only way it has to be by force at least for a time we think that should be

01:28:12 legislated by the civil magistrate but the first table of law not that um but that's not true Bible says that the Church of the Living God is an institution that the Gates of Hell shall not prevail against it and the Bible says they we'll take it by force that's what the Bible says we're in the process of taking this country back and we are in the process of the second American Revolution which will remain bloodless if the left allows it to be you look at King Alfred you look at Constantine uh you look at Richard the lionheart uh you

01:28:43 look at Duke Godfrey who who chopped a Turk uh in half diagonally with one swing of the sword these guys they legislated both tables of the law that's where all the prosperity comes from uh because you can't hang in midair uh these second table Commandments of don't steal from your neighbor apart from uh have no other gods before me idolatry is the head The Fountain Head of the stream you cannot have an idolatrous people and yet somehow have a moral people we have to have religion and it suffered greatly

01:29:17 over the last uh few years but it's coming back it's coming back strong so all that being said with Christian nationalism uh what we advocated for is that um we need to be uh unapologetically distinctly Christian as a nation we should I like the Constitution it's it's not working uh but but I like the Constitution I wish I wish we could have the Constitution uh but we need to adopt um a distinctly Christian Preamble to the Constitution my I would throw my my hat in the ring for um the Apostles Creed

01:29:48 the fact the spirits of devils need to perform a miracle to accomplish this change in America's government thereby repudiating all the principles of its Constitution reveals another key element in this equation that the consent of the people is required read this prophecy again carefully about the two-horned Beast and deceiveth them that dwell on the Earth by the means of those Miracles which he had power to do in the sight of the Beast saying to them that dwell on the earth that they should make an image

01:30:23 to the Beast you see these Miracles whether performed by the supposed spirits of the dead or by alien beings are saying to them that dwell on the earth that they should make an image to the Beast the they is the citizens of the United States of America this shows that the authority and power to make such a significant change to this nation lies with the people the authority and consent of the citizens is required proving that this is a republican nation and so our Declaration of the independence States

01:31:00 governments are instituted among men deriving their just powers from the consent of the Govern sadly the prophecy reveals the repudiation of the principles of our constitution will be accomplished by the popular demand of American citizens our atheistic Godless Society has cast aside the word of God containing the warning of this deception and Christians today having no understanding of these Prophecies of scripture will alike be deceived as if the prophecies and warnings of God had never even been

01:31:36 given to form an image of the Beast right here in America and unite church and state is the purpose for which Satan and his hosts of evil angels will manifest themselves and perform Miracles and bring down fire from heaven deceiving the people into thinking that this is the will of God yet this is not all deceiving Americans into merging church and state is just one step in Satan's plan to control the consciences of men once the image of the Beast is formed in the United States then he will be able to use the power of

01:32:13 civil laws to force not only America but also the entire world into worshiping him instead of God this is brought to view in the next part of the prophecy when these unclean spirits as frogs come out of the mouth of the Dragon the Beast and the false prophet every word of God must have its proper bearing upon this prophecy and since we are wanting a full disclosure of the agenda of these

demonic aliens let us carefully examine what it means that they should come out of the mouths of these three powers when

01:32:49a nation speaks it speaks through its legislative branches telling the people what they are required to do and the proof of this is in the next verse for immediately after the image of the Beast is formed it does just that it speaks legislation and then enforces that legislation so that anyone who disobeys it should be killed and he that is the United States had power to give life unto the image of the Beast that the image of the Beast should both speak and cause that as many as would not worship

01:33:23the image of the Beast should be killed when the image speaks it makes known its will to the People by passing laws and when the prophecy uses the word cause it signifies Force so when this apostate form of protestant Christianity in America merges its aspirations and desires with the Civil power of the United States government by forming an image to the Beast the result will be the enactment of religious laws followed by the enforcement of those laws eventually to such a degree that it will be said that as many as would not

01:34:01worship or obey the image of the Beast should be killed to further illustrate this fact when we look at the papal power in the Old Testament under the symbol of the little horn we see exactly what it does when it speaks and he shall speak great words against the most high and shall wear out the Saints of the most high and think to change times and laws the papacy spoke great words against God and part of his speaking against God meant assuming the authority to change God's law for he would think to change times

01:34:35and laws this the Roman Church boastfully claims that it did most prominently by changing the Sabbath from the seventh day of the week to Sunday in the converts catechism of Catholic Doctrine a book published by the Catholic Church to explain its Doctrine we read which is the Sabbath day Saturday is the Sabbath day why do we observe Sunday instead of Saturday we observe Sunday instead of Saturday because the Catholic church in the Council of leoda transferred the solemnity from Saturday to Sunday you might ask by what Authority

01:35:12did the church substitute Sunday for Saturday and they answer the church substituted Sunday for Saturday by the plenitude of that divine power which Jesus Christ bestowed upon her and and so by thinking to change what God wrote in stone with his own finger the Catholic church has now claimed for itself that is divine authority to change God's law just as the prophecy said it would do then when Sunday is revered as the Sabbath it is thereby an acknowledgment of the Divine authority of the Catholic church and

01:35:45this is why the Catholic church has claimed this change of God's Sabbath law as a sign or Mark of its Authority that's right the mark of the beast in 1950 the Catholic paper our Sunday visitor argued this point themselves saying the Protestant mind does not seem to realize that in accepting the Bible in observing the Sunday in keeping of Christmas and Easter they are accepting the authority of the spokesman for the church the Pope in fact the Catholic Church published an entire booklet called the

01:36:19Christian Sabbath in 1893 about Sunday being a sign of its Authority they make the argument that in the Bible the Sabbath in the Old and New Testament is always Saturday the seventh day of the week and therefore any recognition of the Catholic Church's change of the Sabbath from Saturday to Sunday would be a recognition of the Divine authority of the Catholic Church who claims to have made the change herself they write on page 29 of the Christian Sabbath the Catholic church for over 1,000 years before the

01:36:52existence of a Protestant by virtue of her Divine Mission changed the day from Saturday to Sunday and then they conclude the Christian Sabbath is therefore to this day the acknowledged offspring of the Catholic Church as spouse of the Holy Ghost without a word of remonstrance from the Protestant world so the question remains in a lot of Minds did God himself change his law let us let God's own words on this forever settle the question God says my Covenant will I not break nor alter the thing that has gone out of my lips and

01:37:31 what is God's covenant again God's word answers and he declared unto you his Covenant which he commanded you to perform even 10 commandments and he wrote them upon two tables of stone the Covenant is God's ten commandments and he promised he would never alter or change his Commandments Protestants strive to twist the New Testament scriptures into proving God changed his law but they do so in vain for there is not a single solitary thus saith the Lord for the change and just as Sunday therefore is

01:38:07 the sign of the authority of or mark of the beast so too God has made his Sabbath the sign of his authority he says and hallow my sabbaths and they shall be a sign between me and you that ye may know that I am the Lord your God the observance of the seventh day as the Sabbath therefore stands as a sign whereby God's people know and worship the Creator as the one true God God has also made the Sabbath a sign of the fact that he is the one that saves us and that we are not saved by our own works for he said moreover also I gave them my

01:38:50 sabbaths to be a sign between me and them that they might know that I am the Lord that sanctify them God sanctifies us and the Sabbath rest is resting in that fact it is resting in the work God has accomplished through Jesus Christ in his life on Earth Jesus wrought out a perfectly obedient human life a life that satisfies and meets all the demands of God's law the Sabbath rest is claiming that life as our own and finding peace and joy and rest with God in knowing that Jesus' perfect life reconciles us with him and God continues

01:39:33 to work in us to develop the righteousness of Jesus in us and fit us for heaven no more trying to save ourselves trying to ensure that our good works outnumber our sins for we cannot save ourselves our observance of the Sabbath on the seventh day is a sign of our acceptance therefore of the gift of Salvation in Jesus Christ how terrifying then that almost the whole Christian World spurns the day that God Sanctified and designated as a sign of his authority and of the gift of Salvation that he provided through the sacrifice

01:40:10 of his only begotten son how terrifying to realize the entire world is in Rebellion against God while thinking that they are paying him homage when the beast power deceived mankind into changing sabbaths it deceived mankind into changing Gods immediately after God warns mankind of these three unclean spirits like frogs that will go to the kings of the earth to enforce legislation that will compel mankind to gather themselves together in Rebellion against God Jesus sends this last warning before he comes in the next

01:40:48 verse he says behold I come as a thief and here is the instruction blessed is he that WTH and keepeth his garments lest he walk naked and they see his shame he says keep your garments lest you walk naked what is the Garment it is the righteousness of Jesus Christ the Merit of his perfectly obedient life what is the sign and emblem of our faith and rest in his righteousness it is the seventh day Sabbath for Paul says concerning the gospel of Christ righteousness for we which have believed do enter into rest he continues for he

01:41:30 spake in a certain place of the seventh day on this wise and God did rest the seventh day from all his works and in this place again if they shall enter into my rest Paul concludes let us labor therefore to enter into that rest on the seventh day lest any man fall after the same example of unbelief let us therefore enter into the rest of Jesus as a sign that we believe that he is the one who saves us for if we believe it we will enter into his rest Jesus says to those who claim to worship him but obey the Beast and why

01:42:13 call ye me Lord Lord and do not the things which I say that these spirits of Devil's working miracles will bring the world's last war to Center on on the issue of the Sabbath is revealed in Bible prophecy for the entire Warfare is against God and his people who obey the laws of his government for the dragon was wroth with the woman and went to make war with the remnant of her seed which do what which keep the Commandments of God and have the testimony of Jesus Christ and how will Satan and his angels Force the entire

01:42:50world to transgress God's law and join in a global revolt against the government of Heaven by using the dragon the Beast and the false prophet in other words Satan will use paganism that is all the non-Christian forms of false worship as well as the Roman Catholic Church symbolized as the Beast and even apostate protestantism right here in the United States of America described as a false prophet through these three divisions of false religion that Encompass the entire world the spirits of devils will go to the religious

01:43:27leaders and kings of the earth to convince and compel them to speak out of their mouths that is to legislate and enforce a law demanding everyone on Earth recognize Sunday as an act of worship to the Beast for this is what John saw when he wrote and all the world wondered after the Beast Sunday is not yet the mark of the beast because it is not yet enforced when Sunday legislation shall be enforced then all on Earth will be brought to choose between the sign and seal of the worship of God by resting on

01:44:06the seventh day and the mark of the beast the enforcement of Sunday observance you won't be able to buy or sell unless you have the mark of the beast Revelation says that oh yeah how do you not take it how do you not take the mark yeah the answer to Tucker's question is given immediately following God's warning not to get the mark of the beast in Revelation 14 the warning is If any man worship the Beast and His Image and receive his Mark in his forehead or in his hand the same shall drink of the

01:44:38wine of the wrath of God which is the outpouring of the seven last plagues then immediately following God's warning the answer is given here is the patience of the Saints here are they that keep the Commandments of of God and the faith of Jesus how do we not get the mark of the beast we must keep the Commandments of God including the Sabbath rest and the faith of Jesus Jesus had a perfect faith in his father and rested in his father's power to enable him to keep his father's law when we exercise the same perfect faith in

01:45:16Jesus and in Jesus' power to keep us from sinning then we too will be able to keep the Commandments of God through faith in Jesus' power this is the endgame of Satan and his evil angels to compel the entire human race to join him in Rebellion against the god of love and against his government and so the question will come down to this will we obey the sign of God's Authority and of the government of heaven or will we obey the enforcement of Sunday a sign of Satan's government and those under his

01:45:51control the standoff in the days of Elijah will be repeated except this time the fire coming down from heaven will not identify the true God but those who worship the beast in the place of God and it will not identify the true Prophet but the false prophet also called the image of the Beast nor will it identify those who are keeping the Commandments of the Lord but will prove those calling down fire from heaven have forsaken the Commandments of the Lord and are endeavoring through legislation to enforce others to do the same for the

01:46:25time is coming that no man might buy or sell save he that had the mark meaning Sunday there are to be laws that would restrict certain Commerce Sunday Alliance I'm proud to support the goal of ensuring the workfree Sunday I want to maximize the Christian commitments of the state remember the Sabbath day and keep it holy we should all take Sundays off it is it is deemed constitutional as as a secular purpose we don't just want General Christian culture we want Christian laws we want laws that reflect God's good law we want

01:47:00Sabbath laws we're going to protect Christianity and I can say that I don't have to be politically correct we don't just want less blue laws we want more blue laws we want blasphemy laws so so adopt a distinctly pre uh Christian Preamble and then all all the Ten Commandments must be legislated when Sunday legislation is enforced you may be sure that those who are able to buy and sell have received the mark to bring the world to this final showdown is the work of Satan and his angels whether by manifesting themselves as spirits of

01:47:37dead loved ones or historic leaders from the past or Heathen gods or even as the Disciples of Christ or aliens from Far distant galaxies the goal is to unite Humanity in Rebellion against the god of love and that is what they will do this was before the media embraced UFOs as a cultural Pastime or as a kind of alternative [Music] [Music] religion and in every aspect this phenomenon is deceptive and in every aspect anybody that comes in becomes involved in this phenomenon it has one outcome in every instance every instance

01:48:30you feel so lost so cut off so alone it takes their eyes away from the one true God of Biblical scripture in all our searching the only thing we found that makes the emptiness bearable is each other that is the outcome of every single person who becomes involved with this phenomenon I'll be right here why is there all of this Buzz about UFOs and extraterrestrial life and signs and wonders occurring more frequently in our skies right now well remember it is through the efforts of demonic spirits

01:49:12working miracles that the image of the Beast a union of church and state occurs in the United States yet already we see new and unprecedented movements underway to break down the separation of church and state congregations that say they want to take back the country for God so if the chief objective of these spirits of devils is to perform Miracles and deceive the United States into merging church and state and we are already seeing movements underway to do just that then we should expect to see an

01:49:46increase in spiritualism and demonic activity right now and we are a new report on UFOs or unidentified aerial phenomena shows that sightings are increasing significant spike in UFO sightings hundreds of additional UAP sightings have been reported in the 1897 book Daniel and revelation we read closely associated with this working of Miracles is the erection of an image to the Beast the prophet thus connects the two in verse 14 and deceiveth them that dwell on the Earth by the me of those Miracles which he had power to do in the

01:50:25sight of the Beast saying to them that dwell on the earth that they should make an image to the Beast which had the wound by a sword and did live the deception accomplished by the working of Miracles prepares the way for compliance with this demand for the formation of an image to the Beast we are now already seeing the demand then why should we not therefore expect to see this marked increase in activity of demonic spirits working miracles in 1957 the occult writer Alice a Bailey wrote a book entitled The

01:51:01externalization of the hierarchy the hierarchy is a reference to what we know are demonic spirits the externalization of the hierarchy therefore is about the manifestation of these Spirits in physical form in this book from almost 70 years ago the author writes a great and New Movement is proceeding and a tremendously increased interplay and interaction is taking place this will go on until a. 2025 during the years intervening between now and then very great changes will be seen taking place and at the

01:51:42great general assembly of the hierarchy held as usual every Century in 2025 the date in all probability will be set for the first stage of the externalization of the hierarchy she continues in the adjustment necessitated by the rapidly advancing alignment the members of the hierarchy are fitting themselves for the objective work of public expression and the fact for instance that the hierarchy is approaching closer to humanity and will eventually make an appearance upon the physical plane is

01:52:23due not only to hierarchical intent but to the demand of mankind and to the strong vibration and note which Humanity has set up has Mankind's demand for answers regarding aliens and UFOs increased are the people ready for it can they handle it is 2025 therefore the year these spirits of devils will manifest themselves to the world in physical form we will see remember this was written by an occult writer so we share this not because it holds any Authority nor because we believe this is the year

01:53:01these things will happen but we simply share this only to reinforce the idea that these things will happen and that even those foremost in serving Satan are also anticipating such manifestations whether these things occur this year or not we do not know but without question the time is right and

the prophecy of scripture testify that as we see apostate Christianity aching to exercise civil power to bring this nation back to God that we should now expect to see the manifestations of demonic spirits working their lying

01:53:38miracles to deceive Mankind and to form an image to the Beast and enforce the mark of the beast's Authority we read again in Daniel and Revelation concerning spiritualism that the Earthly government with which it was to be especially connected is that represented by the two-horned Beast or false prophet the agency lying back of the outward manifestations was to be satanic the spirits of devils the prophecy calls for such a work as this in America at the present time because this video is about full

01:54:17disclosure there is one more deception Satan and his angels will work upon the human family that needs to be disclosed it is the greatest deception they will ever be allowed to perform before Jesus comes in this deception Satan will attempt to personate Jesus Christ and no Marvel for Satan himself is transformed into an angel of light in this verse is foreshadowed the Masterpiece of all Satan's deceptions Satan will manifest himself among men as a majestic being of dazzling brightness resembling the

01:54:55description of the Son of God given by John in the Revelation the glory that surpasses him will be unsurpassed by anything that mortal eyes have yet beheld undoubtedly many will joyfully Proclaim Christ has come Christ has come imagine him performing Miracles and claiming to be the Christ and speaking in lovely tones of sympathy and concern for mankind will you discern the deception and what if in his assumed character of Christ he claims to have changed the law of God by changing the Sabbath from the

01:55:32seventh day of the week to Sunday and what if he commands all to hallow the day which he has blessed what if he declares that those who persist in keeping holy the seventh day are blaspheming his name by refusing to listen to his angels sent to them with light and Truth this is the strong strong almost overmastering delusion only those who have a love of the truth will be protected because that love for the truth has driven them to know God's word just prior to Jesus' returning the scriptures speak of the working of Satan

01:56:08with all power and signs and lying wonders and with all deceivableness of unrighteousness in them that perish because they received not the love of the truth that they might be saved now the word work of these extraterrestrial Liars has been fully disclosed not by me but by the word of God and the prophecies contained in God's word if this information is new to you then you are not ready for the things about to break upon the Earth but if you are hearing the still small voice of Jesus speaking to you through these

01:56:45prophecies consider this God's pleading with you to study these things and to get ready the Lord is long longsuffering to us were not willing that any should perish but that all should come to repentance I want to leave you with one last insightful story in the 1980s and the 1990s the Lord worked marvelously through a man named Ron Wyatt God LED Ron in the rediscovery of many lost biblical and historical sites including the Red Sea Crossing Sodom and Gomorrah Noah's Ark and even the Ark of the Covenant all of which are associated

01:57:24with God's judgments many of you may have seen these videos and heard his stories and how God worked miracles to make these discoveries known to humanity at this time for we are living in the Judgment hour if you haven't seen the videos of these discoveries please visit ariscdiscovery.com and see these videos and evidences for yourselves the reason I mentioned Ron White is because he had an experience where God gave him a dream concerning the End of Time Ron died in 1999 but the dream God gave him is worth

01:58:00mentioning for it concerns an alien deception in the last days this video is about 5 minutes and I will play it for you in its entirety so you can hear him share it in his own words I was praying about what to put in my next news letter because folks if we can't share something that is beneficial to people it helps somebody get to heaven and all of that we're wasting our time we're wasting paper

we're wasting everything so we pray and ask God to help us know what to do what to say what to present I was praying what shall I say I

01:58:38 know there's a lot of things people are deceived on and I need to to share something with them to help them see through these deceptions and so anyway that night I had a dream and dreams are made of a multi to to business when we fall asleep our mind starts sorting out the events of the day and putting them with things of similar nature that we have experienced before but if you dream something that you have not had any experience in your life that would Supply the data for that dream then maybe God's speaking to you or you know

01:59:15 showing you something now in Joel the second chapter the Bible says I will pour out my SP upon All Flesh your sons and daughters shall prophesy your young men shall see visions and your old men shall see dreams or have dreams all right so anyway in this dream I was in a big city square one of those that's a park has a statute or two and then maybe a a fountain but the rest of it is green grass and it was packed with people and there I walk well across the street in front of me was this great big church it occupied

01:59:58 the whole block on the other side of the street and behind it was this massive graveyard just a massive graveyard hundreds thousands of people and so anyway somebody about the time I got oriented so I you know kind of understood where I was somebody hollered look up in the sky well I looked up and way out just on the outer edge of my Vision were these UFOs dashing back and forth just like a swarm of bees and then out of them came this these little soft fuzzy lights uh pink ones red ones green ones

02:00:36 blue ones just every color you can imagine and they all came down from there and got in a big formation at a lower level and I mean they Streed off through the sky into the distance in a big beautiful color Ark and back they came and came into ground behind that church in that Cemetery well in just a couple of minutes or less out of this Cemetery came all of these people walking and said Christ Jes said Jesus is here and we've been resurrected everybody started praising the Lord and all of this and I

02:01:18 thought wait a minute wait a minute some of the people I recognized and if they make it in the first resurrection I was really going to be surprised I had not heard the sh Trump of God I had not heard the shout of the Archangel Christ wasn't up there for us to be caught up these people weren't being caught up to meet the Lord in the air they were walking out here and all of this and I started telling everybody folks Satan is is having his angels impersonate these people he wants you to believe believe that the souls have been

02:01:53 brought back and rejoined to the bodies and that they're resurrected but these are evil angels posing as people I guarantee you there weren't too many listeners right but remember this people if they speak not according to the Ten Commandments there is no light in them and the Bible talks about signs and lying wonders in so much that if it were possible they would deceive the very elect read your Bibles prayerfully folks ask God to help you not be deceived and ask him to use you to help others come

02:02:34 to him and be saved before Jesus returns Satan and his angels will manifest themselves in such incredible ways that unless one is familiar with the prophecies and the scriptures and believes them they will be deceived you'll be the greatest King we ever had but because people don't study God's word they will be taken captive by the snares of Satan God tells us how to detect the enemy irregardless of whether the enemy personates the familiar spirits of our dead loved ones or appears as alien beings with a message

02:03:13 for mankind God asks and when they shall say unto you seek unto them that have familiar spirits and unto Wizards that Peep and that mutter but should not a people seek unto their God for the living to the dead in other words why do the people of God go to consult mediums and the spirits of the Dead God declares to the law and to the testimony if they speak not according to this word it is

because there is no light in them this was especially the counsel given in the context of dealing with familiar spirits

02:03:54 the Ten Commandments of God's law are the litmus test and by God's law alone the enemy can be detected regardless of the disguise in which he appears to test the spirits we are commanded by God's word to do beloved believe not every Spirit but try the spirits whether they are of God because many false prophets are gone out into the world I say again do not forget how to test these spirits to the law and to the testimony of God's word if they speak not according to this word it is because there is no light in

02:04:32 them no government whistleblowers or any amount of Secret videos or files or eyewitness testimonies will ever disclose the full truth about UFOs or ETS are we alone in the universe the question is back in the spotlight as government officials speak out in a new documentary I have seen with my own eyes non-human craft and non-human beings should the government admit that UFOs are real that is not the disclosure that is just the first step of the great deception the truth is not out there it is only in here in God's word this is the

02:05:12 only place in the world where you will ever find the truth about UFOs and Close Encounters of the Third Kind fully disclosed in his great love for you Jesus has led you to this video which points to his words and warnings and now that you are armed with the truth to recover yourselves from the deceptions of Satan you must warn others for their only hope is the only being that came to this world to die for them when I started praying that God would change me and do whatever was necessary in my life so that he could work in and

02:05:50 through me to help others come to him and be saved things started to change that's what I recommend that you do folks that you ask the father in the name and blood of his son to come into your life through the power of His holy spirit forgive you cleanse you help you quit sinning and help you to reflect his character to the point that people will be drawn to him by your [Music] influence when I get to heaven I'm going to look around and I want to see everybody you there you can make it with God's

02:06:47 help Christ is here tonight says or two or three are gathered together in my name there in I in the midst please take advantage of that wonderful opportunity
